Title: Book Title Accepts Purely Numeric Values

Description: The system allows entering only numbers (e.g., "1", "2", "123") as a book title. A book title should contain at least one alphabet character. Purely numeric titles should be rejected.

Steps to Reproduce:

1. Log in to the dashboard
2. Navigate to the Books page
3. Click "Add Book"
4. Enter Title: "123"
5. Enter Author: "Test Author"
6. Click Save

Expected: System should show error: "Book title must contain at least one alphabet character."

Actual: The book is saved successfully with title "123". Purely numeric titles are accepted.

Title: Due Date Can Be Set Before Borrow Date

Description: When issuing a book to a member, the system allows selecting a due date that is earlier than the borrow date. This creates invalid borrowing records where the due date is before the book was even taken.

Steps to Reproduce:

1. Log in to the dashboard
2. Go to the Borrowings page
3. Click "Issue Book"
4. Set Borrow Date to 2026-06-10
5. Set Due Date to 2026-06-05 (before borrow date)
6. Click Save

Expected: System should show error: "Due date cannot be before borrow date."

Actual: The borrowing record is saved with due date before borrow date.

Severity: Medium

The screenshot shows a web application interface for issuing books. The form is titled "Issue Book" and has a close button (X) in the top right corner. It contains the following fields:

- BOOK ***: A dropdown menu with the selected option "Seto Bagh (2 avail.)".
- MEMBER ***: A dropdown menu with the selected option "Subash".
- BORROW DATE**: A text input field containing "06/06/2026".
- DUE DATE ***: A date picker field containing "06/20/2023".

At the bottom right of the form, there are two buttons: "Cancel" and "Save". The "Save" button is highlighted in yellow.
